Valid Shag Charities

The Hall of Fame Foundation (www.halloffamefoundation.org/about.htm) The HOFF is chartered in the State of South Carolina as an IRS 501(3)(c) tax-exempt status. Since 1991 the HOFF has quietly and compassionately helped countless folks in the shag community who are in financial need due to loss of jobs, chronic medical bills, and natural disasters. A sample of the things the HOFF has helped fellow shaggers with over the years include: wheel chairs, medical expenses, rehabilitation, funeral costs, and many more too numerous to list. As a board member I can truly say they live up to their motto of "Friends offering friends a helping hand in a time of need"

The Dewey Kennedy Scholarship (www.halloffamefoundation.org/scholarship.htm) The Dewey Kennedy Scholarship was started in 1996 in memory of Dewey who loved the dance and junior shaggers. The annual scholarship is open to those 22 years of age or younger who are currently attending school or are planning on furthering their education by attending college or technical school.

The Beth Mitchell Scholarship (www.shagnationals.com/scholarship-info) In memory of 1998 National Non-Pro Champion, the National Shag Dance Championship Board of Directors established the Beth Mitchell Memorial Scholarship to assist in the education of worthy college students who have competed or whose parents have competed in the Nationals. The scholarship foundation is a 501(3)(c) tax-exempt SC organization. Click on the shagnationals weblink to see a list of past recipients and the colleges this award helped them to attend.
The Ellen Taylor Foundation for Junior Shaggers (www.ellentaylorfoundation.org) Founded in 2007 by Shag Hall of Famer Ellen Taylor, this SC 501(3)(c) organization fills a much needed charitable gap in our shag community. The goal of the foundation is to simply remove financial barriers that might prevent those under 21 from participating in shag events. For example, Ellen’s foundation has quietly provided money for gas, lodging, transportation, and food for many kids to attend Junior SOS, Shag Nationals, and other shag events. It helps juniors through three main programs - assistance to attend events, free shoes, and by sponsoring junior shag workshops.

Even if you don’t believe, you want to go to Heaven for the Climate…Hell for the Company

Everybody has to believe in something....... I believe I'll Shag!

My Grandpa always said;
You can't get the water to clear up until you get the pigs out of the creek!
It's Time For Change!!!!

With hurricanes, tornados, fires out of control, mud slides, flooding, severe thunderstorms tearing up the country from one end to another, and with the threat of bird flu and terrorist attacks, are we sure this is a good time to take God out of the Pledge of Allegiance?"
Well I guess Summer Is Here

It’s time to breath cleaner air
